

explore Australia's only everglades

Everglades Explorer

Cruise deep into the tranquil and mirrored waterways of Australia's only Everglades. This spectacular network of pristine waterways and wetlands provides spectacular scenery and photo opportunities. Immerse yourself in the natural beauty of this unique ecosystem abundant with wildlife and landscapes, untouched for thousands of years.

Choose to experience the Everglades in the comfort of our specially designed Eco boats.

Or

Grab a paddle and experience one of the best canoeing experiences in Australia.

The choice is yours!

Everglades Serenity

Enjoy a relaxing and informative afternoon cruise into Australia's only Everglades. Your cruise will take you on a journey of discovery through the Southern end of the Everglades where you can enjoy "beer & bubbles" onboard, whilst witnessing the stunning landscapes and scenery. 44% of Australia's bird species reside here and our expert guides offer full commentary throughout the tour.

Pure freshwater pulses out of the Cooloola Sandmass filtering through the tea tree infused ecosystem into this unique river system resulting in the most spectacular reflections you will ever see.

Enjoy lunch before or after your tour at CootharaBAR & Bistro
